EDUCATION AND AGRICULTURE.

Proceedings of the Government of His Highness the Maharaja of Mysore.

No. 2048-9—A. & I. 152-14-4, DATED 11TH NOVEMBER 1915.

ORDER.—As some misapprehension seems to exist as to the extent to which Government officers can give their support to the Co-operative movement, the following instructions are laid down for their guidance.

2. Government officers will be allowed to actively assist the movement, so far as they can, without prejudice to their legitimate duties and in their spare hours. They may become members of Co-operative Societies, taking shares in them, and serve on Committees of Management of such institutions, but will not be allowed to accept any remuneration without the special sanction of Government in the case of officers whose salaries are Rs. 100 and above and of the Heads of the Departments concerned in other cases. It should be distinctly understood that wherever any officer of whatever grade joins these Societies and helps them in their work he is expected to do so in his private capacity as a citizen, and he should not use his official position or influence in any manner which would militate against their non-official character.
